

LEGACY WAY

Constructed by

An initiative of

4 February 2011

Dear Resident,

Transcity is pleased to have commenced its contract with Brisbane City Council to design, build, operate and maintain Legacy Way.

Transcity is a joint venture between Acciona Infrastructure, BMD Constructions and Ghella.

Construction of Legacy Way is expected to take four years and is on track to start in March 2011.

Transcity is committed to working with the community to manage and mitigate impacts during construction of Legacy Way.

We will be notifying community members about upcoming construction works in their area through letters, doorknocks, advertisements in local newspapers and our website, www.transcityjv.com.au

Transcity will keep the wider community up to date with the construction progress via a project newsletter and regular email updates. To register to receive email updates, please sign up on our website, www.transcityjv.com.au

Transcity has a Visitor's Centre (located at 80 Jephson Street, Toowong) where you can view a range of maps and models and discuss the Legacy Way project with our team.

If you have any questions or comments about construction work, please contact our Community and Stakeholder Relations Team on 1800 778 772 (free call), at any time, or by emailing info@transcityjv.com.au

Yours sincerely,

Fernando Fajardo
Transcity Project Director
