## WHAT CAN I EXPECT ON A YOUNG ENDEAVOUR VOYAGE?

As a member of the 24 strong youth crew, you will meet the challenges of sailing a tall ship.

During the 11 day voyage you will live 'between decks' in a close community with other youth crews from across Australia, and be encouraged to identify and pursue personal and team goals and challenges.

Near the completion of the voyage, each youth crew will elect a command team and take full responsibility for the ship under sail for a 24 hour period, consolidating many of the skills learnt during the voyage.

Following the voyage you will be asked to write a short piece detailing your experiences which will be posted on both Legacy and Thales websites.

For more information on the Young Endeavour youth development program and full medical please visit [www.youngendeavour.gov.au](http://www.youngendeavour.gov.au).
